Internship Opportunities 2007-2008 Paper Conservation Techniques – Photo Re-housing US Army Heritage & Education Center

Objectives: Gain practical experience in paper and book conservation and preservation techniques.

Background: The U.S. Army Heritage & Education Center (AHEC) has several paper conservation projects underway which will provide excellent learning opportunities for students in specialized programs.

Internship Description:

Requirement: Rehousing objects using appropriate materials and support. The intern learns about techniques, materials and proper handling and storage of photographs.

Support: Tools and appropriate supervision by a professionally trained paper conservator.

Product: Project summary and presentation to AHEC staff at the conclusion of the internship.

Applicability: This internship is applicable to public history and historical conservation and preservation majors.
